

NWG Policy Review & Updates

This document outlines how our policies are reviewed, maintained, and updated to ensure they remain current, effective, and aligned with legislation and governing body guidance.

1. Commitment to Ongoing Review

- We are committed to maintaining clear, accurate, and up-to-date policies.
- Policies are reviewed periodically to ensure alignment with legislation, British Gymnastics guidance, safeguarding standards, and operational requirements.

2. Review Frequency

- Policies will be reviewed at least annually or sooner where necessary.
- Reviews may also be triggered by changes in legislation, guidance, safeguarding requirements, operational changes, or following significant incidents.

3. Responsibility for Review

- NWG management is responsible for overseeing policy review and updates.
- Where appropriate, external guidance from governing bodies or professional advisers may be considered.

4. Communication of Updates

- Updated policies will be made available on the club website.
- Where changes materially affect members, reasonable efforts will be made to notify parents/carers via appropriate communication channels.

5. Version Control

- The most current version of each policy will always be available on the club website.
- Previous versions may be retained internally for record-keeping purposes where required.

6. Continuous Improvement

- We are committed to continuous improvement and welcome feedback that may help strengthen our policies and practices.
